Sydney’s mission within the Commission:

- My vision and motivation as candidate of the FIAS Athletes Commission is for SAMBO to be included in the Olympic Program in the edition of the Olympics community must do our part to develop, propagate and spread awareness of the beautiful sport through significant activities.
- To be able to give back to the SAMBO community this time with the rich experience I have gained as a practitioner of the sport since 2018.
- To engage and organize SAMBO projects and programs that will encourage the participation of SAMBO athletes.
