**Composition (including Terms of Appointment)**

Article 12 of the FIAS Statutes states that the Commission will not have more than 12 members and that each member, including the Chair shall be appointed for a period of four years. The term begins on the date of appointment, generally at the beginning of a calendar year. Members may be reappointed for a maximum of two further consecutive terms of four years. They cannot serve for more than twelve years in aggregate for the same Commission. These limitations shall be immediately applicable to each member of the Commission for their next appointment. A rotation policy for the Commission shall apply so that generally one third of the members change two years. Such rotation will be carried out in a manner that ensures continuity of Commission experience and expertise. A public call for candidates for any upcoming vacant seats of the Commission will be issued at least six months before the meeting date at which the vacancies will be approved. The list of candidates for vacancies, together with the continuing members of the Commission, will be reviewed as a whole by the Chairperson, in consultation with the Chief Executive Officer, the Secretary General and the President.

The composition of the Commission shall aim to ensure appropriate balance amongst the membership:

- Relevant background and experience;
The proposed composition of the Commission for the following year will be approved by the Executive Committee in November of each year, by way of a simple majority of the votes cast by the members present at the time of the vote.

The FIAS Statutes state that the Executive Committee may remove individuals from the Commission where it considers it is appropriate to do so (in its sole discretion) by way of a simple majority of the votes cast by the members present at the time of the vote.

**Chairperson**

The Chairperson of the Commission for the Athletes with Different Abilities is appointed by the FIAS Executive Committee based on the recommendation of the Commission for the Athletes with Different Abilities Members in place at the time of the upcoming vacancy. If there are two or less applications for the position, the Nominations Commission will examine these applicants before forwarding to the FIAS AC for selection. If there are more than three, the FIAS AC Members will review the applicants received and provide a list of two preferred applicants to the Nominations Commission for vetting, after which the vetted candidates who have been deemed eligible will be returned to the FIAS AC for selection. The selected candidate(s) will then be submitted to the FIAS Executive Committee for appointment.

The Chairperson will be not a member of the FIAS Executive Committee.

**Skill Requirements**

A detailed position description which outlines the profile and competencies of the Chair of the Commission is used in the selection process for the position. In general, the Chair must have an impeccable reputation, high integrity and strong ethics, and should have experience in chairing Commissions. On the whole, the Members of the Commission should have skills and experience commensurate with the purpose, goals and objectives of the Commission.
**Expertise**

Nominated observers (non-voting) may also be invited to attend meetings on an ad-hoc or regular basis.

The Chair of the Commission for the Athletes with Different Abilities, in consultation with and upon approval of FIAS Management, may seek assistance from outside experts from time to time.

**Working Norms**

The Commission will normally operate on the basis of consensus and maintain as informal a manner as is possible or appropriate for the conduct of Commission business.

Consensus will be sought whenever possible. In the event of divergence of opinion or disagreement concerning recommendations, the absolute majority (determined by vote by hand) will rule. In the event of a tie, the Chairperson has the casting vote. There is presently no formal practice concerning a quorum. Whilst the objective is to appoint the best candidate for a Chair vacancy, the Executive Committee will collectively appoint Chairs of all the FIAS Permanent Commissions taking into account a balanced allocation of regional and gender representation.

The Chairperson has the responsibility to determine if a quorum is present. Minutes will record any dissenting opinion on request.

The Chairperson may limit discussion of resurfacing issues by referring to previous recommendations or conclusions of previous discussions.

Administrative and Funding Support

FIAS shall provide the necessary administration and financial resources for Commission meetings. The FIAS Executive Committee shall appoint the FIAS Management Representative as the liaison person (Secretary) to the Commission.

FIAS provides on an annual basis “General Information and Guidelines” to all its Commission members. This document provides an overview of administrative policies and procedures applicable to the Commission.
